Picture Postcard Magic

PPM is back! (but not as you knew it)

Following the demise of the magazine *Picture Postcard Collecting*, the successor to *Picture Postcard Monthly*, we're re-introducing PPM from December 2023 with a publication titled *Picture Postcard Magic*, with the aim of keeping a magazine going for postcard collectors. It will basically be an extension of our ongoing sales lists, probably running to 24 pages (inc. features, information, adverts, news and reader feedback). It will be available in the following ways:

- on our website www.postcardcollecting.co.uk - free
- via email individually - free
- via our mailchimp multiple mailing system. You'll need to sign up, if you haven't already done so, by googling

<http://eepurl.com/g2YGRD>
 - free

- by post - £18 for six issues

NB. If you only want to receive our sales list by post, these will still be available by post free of charge for regular customers.
